#### **5. RESELLER RESPONSIBILITIES**

5.1. Qualifications. In addition to the responsibilities set forth elsewhere in this Agreement, Reseller agrees to comply with the policies and criteria (corresponding to its assigned partner level) established by Malwarebytes for the Reseller Program, as set forth at Malwarebytes webpage located at: <https://www.malwarebytes.org/partners/>. Malwarebytes may change such policies and criteria from time to time as it sees fit. It shall be the sole responsibility of Reseller to check this site for updates and to follow and abide by all requirements.

5.2. Sales Efforts. Reseller shall use its diligent efforts to: (i) market, advertise, and otherwise promote and sell the Products and related Services contracts in the Territory, (ii) unless prohibited by law, prevent the export of the Products and Services from the Territory for resale outside the Territory, (iii) perform its obligations under this Agreement, and (iv) further preserve the goodwill and reputation of Malwarebytes and the Products and Services. As part of these efforts, within thirty (30) days of the Effective Date, Reseller shall put a Malwarebytes logo on Reseller's web site according the relevant specifications in Malwarebytes's latest Reseller guidelines available at the Malwarebytes Partner Portal and according to Malwarebytes's applicable policies and guidelines. For clarity, notwithstanding anything to the contrary, Reseller is solely responsible to sell any Products and Services that it purchases from Malwarebytes, and Malwarebytes has no responsibility to assist with that sale and in no way assumes any responsibility to assist with that sale or to ensure any sale is consummated. Reseller is free to set the prices it charges in its discretion, provided it is responsible to ensure full compliance with all laws.

5.3. Not for Resale. Nor for resale Product will only be used for Resellers internal demonstration. Such Products shall not be offered for resale unless otherwise agreed to in writing signed by an authorized representative of Malwarebytes.

5.4. Internet Auction Sales Restriction. Reseller hereby acknowledges and agrees that, due to the complexity of Malwarebytes's Products, online auction or third-party marketplace sales do not provide adequate presales support. Therefore, Reseller hereby agrees and warrants that it shall not sell or otherwise make available Products via any online auction websites or third-party marketplace on the world wide web (for example but not limited to e-Bay or Amazon), service, or similar bidding medium or marketplace throughout the duration of this Agreement. For the avoidance of doubt, where a corporate end user utilizes the Internet for an online based tender bidding-system this provision shall not apply. In addition, Reseller acknowledges and agrees that because inadequate presales support reflects poorly upon and tarnishes the Malwarebytes name a breach of this Section 5.4 is a material breach of this Agreement.

5.5. Reseller Support. Reseller, either directly or through its designated support providers, shall provide support to its customers for support Services purchased from Malwarebytes for the Malwarebytes Products distributed and sold hereunder in accordance with the support and maintenance guidelines listed for its MPP level at the Malwarebytes Partner Portal. Reseller shall ensure that all questions regarding the use or operation of the Malwarebytes Products are addressed to and answered by Reseller, and Reseller shall not represent to any third party that Malwarebytes is

available to directly answer any Customer questions. Malwarebytes may refer any support questions relating to the Licensed Software distributed hereunder to Reseller. Reseller is responsible to continue to provide support after termination of this Agreement for any reason, in accordance with support contracts purchased by Reseller and pursuant to Malwarebytes's support policies and is responsible to ensure effective and professional support even after termination of this Agreement. Reseller agrees that in no event will it provide any Services, whether support or otherwise, related to Products except pursuant to Services contracts that Reseller has properly purchased from Malwarebytes for each individual Product and that have been registered with Malwarebytes. In no event will Reseller provide support Services for a particular individual Product utilizing a support contract purchased in relation to a different individual Product. Reseller agrees that it will flow down the responsibility in the immediately preceding sentence to its Customers, including its resellers, and will require its resellers to flow down the responsibility to any of their resellers.

5.6. Condition on Service Agreement Sales. Each purchase of a Malwarebytes Services contract is valid only for the time period designated on Malwarebytes' order form and/or invoice to the Malwarebytes Authorized Distributor, as applicable, and must be timely and properly registered at Malwarebytes's support website <https://www.malwarebytes.org/partners/> in relation to a specific Product, and Reseller understand and agrees that the support and warranty terms are as stated at <https://www.malwarebytes.org/partners/> or such other website or as otherwise designated by Malwarebytes, and the support and warranty periods will automatically start and run according to Malwarebytes's policies.

5.6.1. Duty to Pass Down Notice and Terms. Reseller is responsible to ensure that it obtains and documents the date of the initial shipment from Malwarebytes and/or the Malwarebytes Authorized Distributor, as applicable, at the time of purchasing Product and/ or a Service contract. In addition, prior to re-selling a Product and/or a Services contract, the Reseller must clearly explain to any End User and clearly document that it has explained, the following: (i) the date of the initial shipment from Malwarebytes, and (ii) that the term for all Services and warranties will be governed by Malwarebytes's policies, as currently stated at <https://www.malwarebytes.org/eula/> or such other website or as otherwise designated by Malwarebytes. Reseller is responsible to contractually bind End Users to the terms stated in this Section, and Reseller agrees to indemnify Malwarebytes for any failure to comply with this provision.

5.6.2. Failure to Comply with this Section. If a Reseller sells a Services contract or Product with a warranty, for which the service or warranty period starts prior to registration, or if it fails to comply with the aforementioned pass-down requirements, it shall be subject to remedial action, including but not limited to, the cost of a new Services contract, the cost of a Services or warranty extension, and/or termination of its partner status. Both parties to this Agreement agree that failure to comply with the section shall be considered a material breach of this Agreement.

5.7. End User License Agreement, Warranties. Reseller may distribute the Products and Services only with all warranties, disclaimers, license agreements, including Malwarebytes's then-current End User License Agreement, or EULA, and Documentation as shipped from Malwarebytes, and Reseller is responsible to ensure all End Users are provided such End User License Agreement and Documentation and are subject to such terms and agreements. Reseller shall take all steps reasonably requested by Malwarebytes to inform End Users of all applicable restrictions and limitations regarding the use of Products and Services. Any guaranties, warranties, promises or commitments given or made by the Reseller which go beyond the Malwarebytes standard license terms provided by Malwarebytes with the Product are not binding for Malwarebytes and are at the sole responsibility of Reseller, and Reseller hereby agrees to indemnify and hold harmless in full Malwarebytes related to any such guaranties, warranties, promise or commitments.

5.8. Maintenance of Qualified Individuals. Reseller hereby represents and warrants it possesses the experience, skills and resources required to perform its obligations under this Agreement. Consistent with this Agreement and the MPP Guidelines, Reseller shall, at its expense, retain adequate numbers of qualified individuals to: (i) provide pre and post sales support services to Customers in line with the requirements of Malwarebytes's support policies, as amended from time to time in Malwarebytes's sole and absolute discretion and (ii) perform any upgrades and/or updates to Malwarebytes's Products and Services as may become necessary once such Products have come within Reseller's possession, custody or control.

5.9. Records and Reports; Audit Rights. Reseller shall maintain accurate and complete records of its marketing, sales, support, and maintenance Services activities under this Agreement and/or related to sales of Malwarebytes Products and Services. Reseller shall maintain accurate and complete records relating to import and export compliance for the number of years required by each Territory, and in no event less than 5 years. During the term of this Agreement, Reseller shall provide information as reasonably requested by Malwarebytes to ensure compliance by Reseller with the terms of this Agreement and the MPP guidelines, and Malwarebytes or its representatives may, upon reasonable notice to Reseller and during normal working hours, inspect the business records of Reseller as reasonable to verify Reseller's compliance. Reseller shall promptly provide Malwarebytes full access to any records requested by Malwarebytes.

5.10. Indemnification by Reseller. Reseller shall indemnify and hold Malwarebytes harmless from and against any and all claims, liabilities, losses, damages or judgments, including all reasonable legal fees and expenses related thereto that arise from or are related to: (i) Reseller's modification, use or distribution of the Product and Services not in strict accordance with this Agreement and the MPP guidelines; (ii) any misrepresentation or any breach of any warranty, covenant or agreement of Reseller; (iii) any infringement or misappropriation of any of Malwarebytes's intellectual property rights, including, among others, patents, copyrights, and trade secrets, or (iv) any action against Malwarebytes for injuries or damage to persons or property caused or claimed to have been caused by the negligent or intentional acts or omissions of Reseller personnel while in the course of performing work under this Agreement. Reseller's obligations under this Section are contingent upon Malwarebytes: (a) giving prompt written notice to Reseller of any such claim; (b) allowing Reseller to control the defense and any related settlement of any such claim; and (c) furnishing Reseller with reasonable assistance in the defense of any such claim, so long as Reseller pays Malwarebytes's out-of-pocket expenses.

5.11. Ethical Business Practices. Reseller will ensure compliance in full by all of its employees and contractors with the entirety of all of the provisions of this Section 11 below. Reseller will conduct business in a manner that reflects favorably at all times on the Products and the good name, goodwill and reputation of Malwarebytes.

5.12. Reseller Partner Portal. Reseller's use of the Reseller Partner Portal is conditioned on your compliance with the terms of this Agreement and any additional terms located with the Reseller Partner Portal. Reseller shall be responsible for all information and transactions associated with its account and the accounts of its employees, contractors, and representatives. Reseller agrees all that information provided in its account is accurate, true, and complete. Neither party shall disclose to third parties the other's Confidential Information without the prior written consent of the other party. Malwarebytes's trademark guidelines are available at the Malwarebytes Partner Portal and may be modified from time to time by Malwarebytes, in its sole discretion. IN NO EVENT SHALL MALWAREBYTES'S TOTAL LIABILITY UNDER THIS AGREEMENT OR RELATED TO THIS AGREEMENT, UNDER ANY CONTRACT, NEGLIGENCE, INDEMNIFICATION, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY, EXCEED THE AMOUNT ACTUALLY RECEIVED BY MALWAREBYTES AS A RESULT OF ORDERS PLACED BY RESELLER DURING THE THREE (3) MONTHS PRECEDING THE EVENT WHICH GAVE RISE TO SUCH MALWAREBYTES LIABILITY.

## **11. COMPLIANCE WITH APPLICABLE LAWS**

11.1. Compliance with Laws. Reseller will comply with, and shall be solely responsible for complying with, all applicable laws and regulations, including but not limited to environmental laws and regulations, applicable in the Territory, or any nation, or political subdivision thereof, in which it engages in business while performing its responsibilities hereunder as well as those applicable to the distribution and sale of the Product, or performance of services by Reseller. A file will be provided that includes the quantity and type of license keys purchased by Reseller, along with a link to the current version of that Product’s executable file that may be downloaded by Reseller. Reseller will be responsible for, and will promptly pay, all taxes and duties of any kind (including, but not limited to, sales, use and withholding taxes) associated with this Agreement or Reseller’s receipt, use, and distribution of the Products, except for taxes based on Malwarebytes’ net income. If Malwarebytes is required to collect, or pays on Reseller’s behalf, any taxes or duties for which Reseller is responsible, Reseller will pay or reimburse Malwarebytes, as the case may be, for all such amounts. If Reseller pays any withholding taxes based on the payments made by Reseller to Malwarebytes hereunder, Reseller will furnish Malwarebytes with written documentation of all such tax payments, including receipts and other customary documentation, including resale certificates.

8. Records; Audit. During the term of this Agreement and for a period of three years thereafter, Reseller will maintain complete and accurate books and records regarding Reseller's use and distribution of the Products. Any such inspection and audit will be conducted during regular business hours and in a manner that minimizes interference with Reseller's normal business activities and Malwarebytes shall give 5 days' notice of any such proposed audit. If such an inspection and audit reveals an underpayment of any amounts payable to Malwarebytes, then Reseller will promptly remit the full amount of such underpayment to Malwarebytes, including interest calculated in accordance with the terms of Section 6 of this Exhibit. If the underpaid amount exceeds 5% of the amounts payable to Malwarebytes for the period audited, then Reseller will also pay Malwarebytes' reasonable costs of conducting the inspection and audit. Notwithstanding the above, Malwarebytes or its authorized representative may conduct an audit at any time on 24 hours' notice if Malwarebytes reasonably suspects Reseller is in breach of this Agreement.

9. Reports. Reseller's report will comply in form and substance with Malwarebytes' reporting requirements, as they are determined by Malwarebytes and communicated to Reseller from time to time. If a digital reporting method is provided by Malwarebytes, Reseller agrees to use it in lieu of the above report. If Reseller fails to provide Malwarebytes with the reports as required by this Section within the said period, it shall give adequate grounds for Malwarebytes to terminate the Agreement for cause. If Reseller fails to provide Malwarebytes with the reports as required by this Section within the said period on more than one occasion, it shall give adequate grounds for Malwarebytes to terminate the Agreement for cause immediately upon notice without opportunity to cure.
